About Timbercraft

TIMBER AND HARDWARES LTD, (also trading as TIMBERCRAFT), was incorporated as a Limited Liability Company in 1953 by the Registrar of Companies, Tanzania. Since its incorporation, the company has successfully executed various furniture related projects throughout Tanzania.

Timbercraft is one of Tanzania's leading privately owned manufacturer and supplier of furniture. Our clients consists of offices, hotels, schools, hospitals, residential houses, etc. Timbercraft is recognized in the industry as a design leader, for its expertise of fine craftsmanship combined with modern design and value for money products.

With over 65 years of experience and steady growth, our highly skilled, experienced and qualified team combined with continuous investment in new technology, we are proud to have managed and delivered high quality complex furniture projects in Tanzania.

Our Workshop

Over the years, we have established ourselves as Tanzania's leading brand for furniture manufacturing and supply. We have maintained an unflinching passion for quality - impeccable craftsmanship, and enduring value. The secret to our success is our experienced technical team and modern workshop facility.

Our Workshop is well-equipped with modern tools and machinery for all types of joinery work. Depending on the requirements of the customer, Timbercraft can manufacture high quality customized furniture to suit every style.

With affordable prices, exceptional quality and optimized delivery times, we strive to provide complete furniture solutions. This is what we are committed to giving you - excellent results beyond your expectations. Timbercraft furniture design and style is a trend setter in the Tanzanian furniture industry. This dynamic and flexible spirit is at the heart of everything we do and has been a key factor in the continued growth of our business.

Hardwood Furnitures

Hardwood Furniture at Timbercraft is handmade by skilled craftsmen from exceptional materials that are carefully sourced from around the world. We ensure all hardwood timber is kiln dried before use. With custom made furniture our customers can not only select from the various types of hardwood timber available in stock, but can also, get the furniture made according to their budget. With hardwood timber furniture one can be assured of the durability, timeless look, easy to upkeep and makes an impression.

Office Furnitures

At Timbercraft, we believe in more than just the aesthetics of your office space. We believe in making your space functional and personalized to suit your specific needs. Different parts of an office have different functions and by using Timbercraft there's no need to compromise on your needs. We offer a wide range of products and styles that can be customized to suit any need.

Home Furnitures

Timbercraft is a leading retailer of home furnishings. With our affordable and superior quality products and expert customer service, we are the go- to furniture store for all your needs.

Whether you need new bedding, a new Bedroom set, a dining table, or something more modern and contemporary like an accent lamp or side table, we will make it happen.

Custom Furnitures

With our knowledge of wood, you can be rest assured that your furniture will be made the right way. At Timbercraft, we believe that good design comes from a deep understanding of materials and the ability to craft them into well-designed pieces. Our designers have years of experience in creating pieces that have both a timeless look and a high-quality finish.
